Discover the Display Gardens Open House

Plant Sale

FREE!

Three Gardens - One Location
Saturday June 29 10 a.m. to 2 p.m.
www.skagitmg.org/openhouse

Explore 8 acres of gardens and talk to the volunteers who maintain them

Activities

- Tour 3 gardens with our Discovery Passport
- Ask a Master Gardener for gardening advice
- Bring your plant questions to the Plant Clinic
- Learn about container gardening and drip irrigation
- Talk to the Skagit County Noxious Weed Expert
- Find out about Skagit Conservation District efforts
- Bring your favorite garden tool for sharpening

Skagit County WSU Extension Master Gardener Discovery Garden features 30 themed garden rooms on 1.5 acres with ADA accessible paths and educational displays.

NW Fruit Garden has 6 acres of fruit trees and berries suited for our climate with informative signage and espaliers.

Salal Native Plant Garden is a half-acre oasis of native plants suitable for the home landscape.

WSU is an equal opportunity provider. If you need a reasonable accommodation or language access to participate in this event, please contact Alex duPont, Skagit County WSU Extension Master Gardener Program Coordinator, at alex.dupont@wsu.edu or (360)395-2367 no later than two weeks before the planned event. Language access services, such as interpretation or translation of vital information, will be provided free of charge to limited English proficient individuals upon request.

Our Free Programs

Stop by our **Plant Clinics** in Anacortes and Burlington, or our **Ask A Master Gardener Booths** at the Anacortes, Concrete, Mount Vernon, and Sedro-Woolley **Farmers Markets**. We can help with garden problems, plant/pest identification, growing food, plant recommendations, native plants, pollinators, soil, composting, and more. Check our website for the schedule and locations, or get help online.

Visit our volunteer-maintained demonstration garden. The **Discovery Garden** in Mount Vernon provides a self-guided walking tour where you can learn about garden styles, composting, pollinators, and much more!

Attend our free **Know & Grow** gardening lectures. Read our **"Ask A Master Gardener" Blog**. Visit our websites for more information.
