

Join the Facebook group: WSU Skagit County Extension Master Gardener

This is a private Facebook group for Skagit County Master Gardeners only. It provides a space to post photos and videos on topics of interest, to ask questions of fellow Master Gardeners, and to discuss gardening topics. All members can post and comment, but content is not visible to the public.

You can use this group to:

- Post photos or request help identifying plants, insects, or diseases.
- Let other Master Gardeners know what's happening in your garden or gardens in your neighborhood.
- Share events you think may interest other Master Gardeners.
- Get feedback from other Master Gardeners about gardening techniques.

How to join:

- You must first set up a Facebook account. (Go to www.facebook.com).
- Log in to Facebook. In the Search box, enter *WSU Skagit County Extension Master Gardener*. (You'll find the Search box near the top of the page; look for the magnifying glass icon.)
- When the page appears, click on *+ Join Group*. You'll be asked to answer a question to be sure you qualify for the group. Only if you answer will the Administrator approve your request to join.
- You'll receive a notification when your request has been approved. (Notifications are shown in the 'bell-shaped' icon, either at the top or bottom of the page, depending on the device you are using.)
- Nancy Crowell is the primary Administrator for this page.

Help promote the public Facebook page: WSU Skagit County Extension Master Gardeners

There is also a public-facing page with a similar name: *WSU Skagit County Extension Master Gardeners* (note the 's' on the end). It is a public page, open to anyone. Please invite your friends to like and follow this page. Linda Bannerman is the primary Administrator for this page.
